Hi my name is Ebony Dark'ness Dementia Raven Way and I have long ebony black hair (that's how I got my name) with purple streaks and red tips that reaches my mid-back and icy blue eyes like limpid tears and a lot of people tell me I look like Amy Lee¹. I'm not related to Gerard Way but I wish I was because he's a major fucking hottie. I'm a vampire but my teeth are straight and white. I have pale white skin. I'm also a witch, and I go to a magic school called Hogwarts in England where I'm in the seventh year (I'm seventeen). I'm a goth (in case you couldn't tell) and I wear mostly black. I love Hot Topic and I buy all my clothes from there. For example today I was wearing a black corset with matching lace around it and a black leather miniskirt, pink fishnets and black combat boots. I was wearing black lipstick, white foundation, black eyeliner and red eye shadow. I was walking outside Hogwarts. It was snowing and raining so there was no sun, which I was very happy about. A lot of preps stared at me. I put up my middle finger at them.

"Hey Ebony!" shouted a voice. I looked up. It was...Draco Malfoy!

"What's up Draco?" I asked.

"Nothing," he said shyly.

But then, I heard my friends call me and I had to go away.

18 The next day I woke up in my bedroom. It was snowing and raining again.
19 I opened the door of my coffin and drank some blood from a bottle I had. My
20 coffin was black ebony and inside it was hot pink velvet with black lace on the
21 ends. I got out of my coffin and took of my giant MCR t-shirt which I used for
22 pajamas. Instead, I put on a black leather dress, a pentagram necklace, combat
23 boots and black fishnets on. I put on four pairs of earrings in my pierced ears,
24 and put my hair in a kind of messy bun.

25 My friend, Willow² woke up then and grinned at me. She flipped her long
26 waist-length raven black hair with pink streaks and opened her forest-green
27 eyes. She put on her Marilyn Manson t-shirt with a black mini, fishnets and
28 pointy high-heeled boots. We put on our makeup (black lipstick white foun-
29 dation and black eyeliner.)

30 "OMFG, I saw you talking to Draco Malfoy yesterday!" she said excitedly.

31 "Yeah? So?" I said, blushing.

32 "Do you like Draco?" she asked as we went out of the Slytherin common
33 room and into the Great Hall.

34 "No I so fucking don't!" I shouted.

35 "Yeah right!" she exclaimed. Just then, Draco walked up to me.

36 "Hi." he said.

37 "Hi." I replied flirtily.

38 "Guess what." he said.

39 "What?" I asked.

40 "Well, Good Charlotte are having a concert in Hogsmeade." he told me.

41 "Oh. My. Fucking. God!" I screamed. I love GC. They are my favorite band,
42 besides MCR.

43 "Well...do you want to go with me?" he asked.

44 I gasped.

On the night of the concert I put on my black lace-up boots with high heels. Underneath them were ripped red fishnets. Then I put on a black leather minidress with all this corset stuff on the back and front. I put on matching fishnet on my arms. I straightened my hair and made it look all spiky. I felt a little depressed then, so I slit one of my wrists. I read a depressing book while I waited for it to stop bleeding and I listened to some GC. I painted my nails black and put on TONS of black eyeliner. Then I put on some black lipstick. I didn't put on foundation because I was pale anyway. I drank some human blood so I was ready to go to the concert.

I went outside. Draco was waiting there in front of his flying car. He was wearing a Simple Plan t-shirt (they would play at the show too), baggy black skater pants, black nail polish and a little eyeliner³.

"Hi Draco!" I said in a depressed voice.

"Hi Ebony." he said back. We walked into his flying black Mercedes-Benz (the license plate said 666) and flew to the place with the concert. On the way we listened excitedly to Good Charlotte and Marilyn Manson. We both smoked cigarettes and drugs. When we got there, we both hopped out of the car. We went to the mosh pit at the front of the stage and jumped up and down as we listened to Good Charlotte.

"You come in cold, you're covered in blood They're all so happy you've arrived The doctor cuts your cord, hands you to your mom She sets you free into this life." sang Joel.

"Joel is so fucking hot." I said to Draco, pointing to him as he sung, filling the club with his amazing voice.

Suddenly Draco looked sad.

"What's wrong?" I asked as we moshed to the music. Then I caught on.

"Hey, it's ok I don't like him better than YOU!" I said.

"Really?" asked Draco sensitively and he put his arm around me all protective.

"Really." I said. "Besides I don't even know Joel and he's going out with Hilary fucking Duff. I fucking hate that little bitch." I said disgustedly, thinking of her ugly blonde face.

The night went on really well, and I had a great time. So did Draco. After the concert, we drank some beer and asked Benji and Joel for their autographs and photos with them. We got GC concert tees. Draco and I crawled back into the Mercedes-Benz, but Draco didn't go back into Hogwarts, instead he drove the car into...the Forbidden Forest!

82 "DRACO!" I shouted. "What the fuck do you think you are doing?"
83 Draco didn't answer but he stopped the flying car and he walked out of it.
84 I walked out of it too, curiously.
85 "What the fucking hell?" I asked angrily.
86 "Ebony?" he asked.
87 "What?" I snapped.
88 Draco leaned in extra-close and I looked into his gothic red eyes (he was
89 wearing color contacts) which revealed so much depressing sorrow and evil-
90 ness and then suddenly I didn't feel mad anymore.
91 And then...suddenly just as I Draco kissed me passionately. Draco climbed
92 on top of me and we started to make out keenly against a tree. He took of my
93 top and I took of his clothes. I even took of my bra. Then he put his thingie
94 into my you-know-what and we did it for the first time.
95 "Oh! Oh! Oh! " I screamed. I was beginning to get an orgasm. We started to
96 kiss everywhere and my pale body became all warm. And then...
97 "WHAT THE HELL ARE YOU DOING YOU MOTHERFUKERS!"
98 It was...Dumbledore!

Dumbledore made and Draco and I follow him. He kept shouting at us an-	99
grily.	100
“You ludacris fools!” he shouted.	101
I started to cry tears of blood down my pallid face. Draco comforted me.	102
When we went back to the castle Dumbledore took us to Professor Snape and	103
Professor McGonagall who were both looking very angry.	104
“They were having sexual intercourse in the Forbidden Forest!” he yelled	105
in a furious voice.	106
“Why did you do such a thing, you mediocre dunces?” asked Professor McG-	107
onagall.	108
“How dare you?” demanded Professor Snape.	109
And then Draco shrieked. “BECAUSE I LOVE HER!”	110
Everyone was quiet. Dumbledore and Professor McGonagall still looked	111
mad but Professor Snape said. “Fine. Very well. You may go up to your rooms.”	112
Draco and I went upstairs while the teachers glared at us.	113
“Are you okay, Ebony?” Draco asked me gently.	114
“Yeah I guess.” I lied. I went to the girl’s dorm and brushed my teeth and	115
my hair and changed into a low-cut black floor-length dress with red lace all	116
around it and black high heels. When I came out...	117
Draco was standing in front of the bathroom, and he started to sing ‘I just	118
wanna live’ by Good Charlotte. I was so flattered, even though he wasn’t sup-	119
posed to be there. We hugged and kissed. After that, we said goodnight and he	120
reluctantly went back into his room.	121

122 The next day I woke up in my coffin. I put on a black miniskirt that was
123 all ripped around the end and a matching top with red skulls all over it and
124 high heeled boots that were black. I put on two pairs of skull earrings, and two
125 crosses in my ears. I spray-painted my hair with purple.

126 In the Great Hall, I ate some Count Chocula cereal with blood instead of
127 milk, and a glass of red blood. Suddenly someone bumped into me. All the
128 blood spilled over my top.

129 "Bastard!" I shouted angrily. I regretted saying it when I looked up cause I
130 was looking into the pale white face of a gothic boy with spiky black hair with
131 red streaks in it. He was wearing so much eyeliner that I was going down his
132 face and he was wearing black lipstick. He didn't have glasses anymore and
133 now he was wearing red contact lenses just like Draco's and there was no scar
134 on his forehead anymore. He had a manly stubble on his chin. He had a sexy
135 English accent. He looked exactly like Joel Madden. He was so sexy that my
136 body went all hot when I saw him kind of like an erection only I'm a girl so I
137 didn't get one you sicko.

138 "I'm so sorry." he said in a shy voice.

139 "That's all right. What's your name?" I questioned.

140 "My name's Harry Potter, although most people call me Vampire these days."
141 he grumbled.

142 "Why?" I exclaimed.

143 "Because I love the taste of human blood." he giggled.

144 "Well, I am a vampire." I confessed.

145 "Really?" he whimpered.

146 "Yeah." I roared.

147 We sat down to talk for a while. Then Draco came up behind me and told
148 me he had a surprise for me so I went away with him.

Draco and I held our pale white hands with black nail polish as we went up- stairs. I was wearing red Satanist sings on my nails in red nail polish⁴. I waved to Vampire. Dark misery was in his depressed eyes. I guess he was jealous of me that I was going out with Draco. Anyway, I went upstairs excitedly with Draco. We went into his room and locked the door. Then...

We started frenching passively and we took off each others clothes enthu- siastically. He felt me up before I took of my top. Then I took off my black leather bra and he took off his pants. We went on the bed and started making out naked and then he put his boy's thingy in mine and we HAD SEX.⁵

"Oh Draco, Draco!" I screamed while getting an orgasm when all of a sud- den I saw a tattoo I had never seen before on Draco's arm. It was a black heart with an arrow through it. On it in bloody gothic writing were the words...Vampire!

I was so angry.

"You bastard!" I shouted angrily, jumping out of the bed.

"No! No! But you don't understand!" Draco pleaded. But I knew too much.

"No, you fucking idiot!" I shouted. "You probably have AIDs anyway!"

I put on my clothes all huffily and then stomped out. Draco ran out even though he was naked. He had a really big you-know-what but I was too mad to care. I stomped out and did so until I was in Vampire's classroom where he was having a lesson with Professor Snape and some other people.

"VAMPIRE POTTER, YOU MOTHERFUCKER!" I yelled.

170 Everyone in the class stared at me and then Draco came into the room even
171 though he was naked and started begging me to take him back.

172 “Ebony, it’s not what you think!” Draco screamed sadly.

173 My friend B’loody Mary Smith smiled at me understatedly. She flipped her
174 long waste-length gothic black hair and opened her crimson eyes like blood
175 that she was wearing contact lenses on. She had pale white skin that she was
176 wearing white makeup on. Hermione was kidnapped when she was born. Her
177 real parents are vampires and one of them is a witch but Voldemort killed her
178 mother and her father committed suicide because he was depressed about it.
179 She still has nightmares about it and she is very haunted and depressed. It also
180 turns out her real last name is Smith and not Granger. (Since she has converted
181 to Satanism she is in Slytherin now not Griffindoor.)

182 “What is it that you desire, you ridiculous dimwit!” Snape demeaned an-
183 grily in his cold voice but I ignored him.

184 “Vampire, I can’t believe you cheated on me with Draco!” I shouted at him.
185 Everyone gasped.

186 I don’t know why Ebony was so mad at me. I had went out with Vampire
187 (I’m bi and so is Ebony) for a while but then he broke my heart. He dumped
188 me because he liked Britney, a stupid preppy fucker. We were just good friends
189 now. He had gone through horrible problems, and now he was gothic. (Haha,
190 like I would hang out with a prep.)

191 “But I’m not going out with Draco anymore!” said Vampire.

192 “Yeah fucking right! Fuck off, you bastard!” I screamed. I ran out of the
193 room and into the Forbidden Forest where I had lost my virility to Draco and
194 then I started to bust into tears.

I was so mad and sad. I couldn't believe Draco for cheating on me. I began
to cry against the tree where I did it with Draco. 195

Then all of a suddenly, an horrible man with red eyes and no nose and ev-
erything started flying towards me on a broomstick! He didn't have a nose (ba-
sically like Voldemort in the movie) and he was wearing all black but it was
obvious he wasn't gothic. It was...Voldemort! 196

"No!" I shouted in a scared voice but then Voldemort shouted "Imperius!"
and I couldn't run away. 197

"Crookshanks!" I shouted at him. Voldemort fell of his broom and started
to scream. I felt bad for him even though I'm a sadist so I stopped. 198

"Ebony." he yelled. "Thou must kill Vampire Potter!" 199

I thought about Vampire and his sexah eyes and his gothic black hair and
how his face looks just like Joel Madden. I remembered that Draco had said I
didn't understand, so I thought, what if Draco went out with Vampire before I
went out with him and they broke up? 200

"No, Voldemort!" I shouted back. 201

Voldemort gave me a gun. "No! Please!" I begged. 202

"Thou must!" he yelled. "If thou does not, then I shall kill thy beloved Draco!" 203

"How did you know?" I asked in a surprised way. 204

Voldemort got a dude-ur-so-retarded look on his face. "I hath telekinesis."
he answered cruelly. "And if you doth not kill Vampire, then thou know what
will happen to Draco!" he shouted. Then he flew away angrily on his broom-
stick. 205

I was so scared and mad I didn't know what to do. Suddenly Draco came
into the woods. 206

"Draco!" I said. "Hi!" 207

"Hi." he said back but his face was all sad. He was wearing white foundation
and messy eyeliner kind of like a pentagram (geddit) between Joel Madden
and Gerard Way. 208

"Are you okay?" I asked. 209

"No." he answered. 210

"I'm sorry I got all mad at you but I thought you cheated on me." I expelled. 211

"That's okay." he said all depressed and we went back into Hogwarts to-
gether making out. 212

229 I was really scared about Vlodemort all day. I was even upset went to re-
230 hearsals with my gothic metal band Bloody Gothic Rose 666. I am the lead
231 singer of it and I play guitar. People say that we sound like a cross between
232 GC, Slipknot and MCR. The other people in the band are B'loody Mary, Vam-
233 pire, Draco, Ron (although we call him Diabolo now. He has black hair now
234 with blue streaks in it.) and Hagrid. Only today Draco and Vampire were de-
235 pressed so they weren't coming and we wrote songs instead. I knew Draco was
236 probably slitting his wrists (he wouldn't die because he was a vampire too and
237 the only way you can kill a vampire is with a c-r-o-s-s (there's no way I'm writ-
238 ing that) or a steak) and Vampire was probably watching a depressing movie
239 like The Corpse Bride. I put on a black leather shirt that showed off my boobs
240 and tiny matching miniskirt that said Simple Plan on the butt. You might think
241 I'm a slut but I'm really not.

242 We were singing a cover of 'Helena' and at the end of the song I suddenly
243 bust into tears.

244 "Ebony! Are you OK?" B'loody Mary asked in a concerted voice.

245 "What the fuck do you think?" I asked angrily. And then I said. "Well, Volde-
246 mort came and the fucking bastard told me to fucking kill Harry! But I don't
247 want to kill him, because, he's really nice, even if he did go out with Draco. But
248 if I don't kill Harry, then Voldemort, will fucking kill Draco!" I burst into tears.
249 Suddenly Draco jumped out from behind a wall.

250 "Why didn't you fucking tell me!" he shouted. "How could you- you- you
251 fucking poser muggle bitch!"⁶

252 I started to cry and cry. Draco started to cry too all sensitive. Then he ran
253 out crying.

254 We practiced for one more hour. Then suddenly Dumbeldore walked in
255 angrily! His eyes were all fiery and I knew this time it wasn't cause he had a
256 headache.

257 "What have you done!" He started to cry wisely.⁷ "Ebony Draco has been
258 found in his room. He committed suicide by slitting his wrists."

“NO!” I screamed. I was horrified! B’loody Mary tried to comfort me but I
told her fuck off and I ran to my room crying myself. Dumbledore chased after
me shouting but he had to stop when I went into my room cause he would look
like a perv that way.

Anyway, I started crying tears of blood and then I slit both of my wrists.
They got all over my clothes so I took them off and jumped into the bath angrily
while I put on a Linkin Park song at full volume. I grabbed a steak and almost
stuck it into my heart to commit suicide. I was so fucking depressed! I got
out of the bathtub and put on a black low-cut dress with lace all over it sandly.
I put on black high heels with pink metal stuff on the ends and six pairs of
skull earrings. I couldn’t fucking believe it. Then I looked out the window and
screamed...Snap was spying on me and he was taking a video tape of me! And
Loopin was masticating to it! They were sitting on their broomsticks.

“EW, YOU FUCKING PERVS, STOP LOOKING AT ME NAKED! ARE YOU PE-
DOS OR WHAT!” I screamed putting on a black towel with a picture of Marilyn
Mason on it. Suddenly Vampire ran in.

“Abra Kedavra!” he yelled at Snape and Loopin pointing his womb. I took
my gun and shot Snape and Loopin a gazillion times and they both started
screaming and the camera broke. Suddenly, Dumblydore ran in. “Ebony, it
has been revealed that someone has - NOOOOOOOOOOOOO!” he shouted
looking at Snape and Loopin and then he waved his wand and suddenly...

Hagrid ran outside on his broom and said everyone we need to talk.

“What do you know, Hagrid? You’re just a little Hogwarts student!”

“I MAY BE A HOGWARTS STUDENT...” Hargirid paused angrily. “BUT I AM
ALSO A SATANIST!”

“This cannot be.” Snap said in a crisp voice as blood dripped from his hand
where Dumblydore’s wand had shot him. “There must be other factors.”

“YOU DON’T HAVE ANY!” I yelled in madly.

Loopin held up the camera triumelephantly. “The lens may be ruined but
the tape is still there!”

I felt faint, more than I normally do like how it feels when you do not drink
enough blood.

“Why are you doing this?” Loopin said angrily while he rubbed his dirty
hands on his clook.

And then I heard the words that I had heard before but not from him. I did
not know whether to feel shocked and happy or to bite him and drink his blood
because I felt faint.

“BECAUSE...BECAUSE...” Hargid said and he paused in the air dramitacly,
waving his wand in the air. Then swooped he in singing to the tune of a gothic

298 version of a song by 50 Cent.
299 "Because you're goffic?" Snap asked in a little afraid voice cause he was
300 afraid it meant he was connected with Satan.
301 "Because I LOVE HER!"

I was about to slit my wrists again with the silver knife that Drago had given me in case anything happened to him. He had told me to use it valiantly against an enemy but I knew that we must both go together.

"NO!" I THOUGHT IT WAS HAIRgrid but it was Vampire. He started to scream. "OMFG! NOOOOO! MY SCAR HURTS!" and then...his eyes rolled up! You could only see his red whites.

I stopped. "How did u know?"

"I saw it! And my scar turned back into the lightning bolt!"

"NO!" I ran up closer. "I thought you didn't have a scar anymore!" I shouted.

"I do but Diabolo changed it into a pentagram for me and I always cover it up with foundation." he said back. "Anyway my scar hurt and it turned back into the lightning bolt! Save me! then I had a vision of what was happening to Draco...Volfemort has him bondage!"

Anyway I was in the school nurse's office now recovering from my slit wrists. Snap and Loopin and HAHRID were there too. They were going to St. Mango's after they recovered cause they were pedofiles and you can't have those fucking pervs teaching in a school with lots of hot gurlz. Dumbledore had constipated the cideo camera they took of me naked. I put up my middle finger at them.

Anyway Hagrid came into my hospital bed holding a bouquet of pink roses.

"Enoby I need to tell u somethnig." he said in a v. serious voice, giving me the roses.

"Fuck off." I told him. "You know I fucking hate the color pink anyway, and I don't like fucked up preps like you." I snapped. Hagrid had been mean to me before for being gottik.

"No Enoby." Hagrid says. "Those are not roses."

"What, are they goffs too you poser prep?" I asked cause I was angry that he had brought me pink roses.

"I saved your life!" He yelled angrily. "No you didn't I replied." "You saved me from getting a Paris Hilton p- video made from your shower scene and being vued by Snap and Loopin." Who MASTABATED⁸ to it he added silently.

"Whatever!" I yelled angrily.

He pointed his wand at the pink roses. "These aren't roses." He suddenly looked at them with an evil look in his eye and muttered Well If you wanted Honesty that's all you haD TO SAY!.

"That's not a spell that's an MCR song." I corrected him wisely.

338 "I know, I was just warming up my vocal cordes." Then he screamed. "Petu-

 340 And then the roses turned into a huge black flame floating in the middle of
 341 the air. And it was black. Now I knew he wasn't a prep.
 342 "OK I believe you now wtf is Drako?"
 343 Hairgrid rolled his eyes. I looked into the balls of flame but I could c noth-
 344 ing.
 345 "U c, Enobby," Dumblydore said, watching the two of us watching the flame.
 346 "2 c wht iz n da flmes¹⁰ u mst find urslf 1st, k?"
 347 "I HAVE FOUND MYSELF OK YOU MEAN OLD MAN!" Hagrid yelled. dUMB-
 348 Lydore lookd shockd. I guess he didn't have a headache or else he would have
 349 said something back.
 350 Hairgrid stormed off back into his bed. "U r a liar, prof dumbledoree!"
 351 Anyway when I got better I went upstairs and put on a black leather minidress
 352 that was all ripped on the ends with lace on it. There was some corset stuff on
 353 the front. Then I put on black fishnets and black high-heeled boots with pic-
 354 tures of Billie Joe Armstrong on them. I put my hair all out around me so I
 355 looked like Samara from the Ring¹¹ and I put on blood-red lipstick, black eye-
 356 liner and black lip gloss.
 357 "You look kawai, girl." B'loody Mary said sadly. "Fangs (geddit) you do too."
 358 I said sadly too, but I was still upset. I slit both of my wrists feeling totally de-
 359 pressed and I sucked all the blood. I cried again in my bathroom and put the
 360 shades on so Snap and Loopin couldn't spy on me this time. I went to some
 361 classes. Vampire was in the Hair of Magical Magic Creatures. He looked all
 362 depressed because Draco had disappeared and he had used to be in love with
 363 Draco. He was sucking some blood from a Hufflepuff.
 364 "Hi." he said in a depressed way. "Hi back." I said in an wqually said way.
 365 We both looked at each other for some time. Harry had beautiful red gothic
 366 eyes so much like Dracos. Then...we jumped on each other and started screw-
 367 ing each other.
 368 "STOP IT NOW YOU HORNY SIMPLETONS!" shouted Professor McGoggle
 369 who was watching us and so was everyone else.
 370 "Vampire you fucker!" I said slapping him. "Stop trying to screw me. You
 371 know I loved Draco!" I shouted and then I ran away angrily.
 372 Just then he started to scream. "OMFG! NOOOOO! MY SCAR HURTS!" and
 373 then...his eyes rolled up! You could only see his red whites.
 374 "NO!" I ran up closer.
 375 "I thought you didn't have a scar anymore!" I shouted.
 376 "I do but Diabolo changed it into a pentagram for me and I always cover
 377 it up with foundation." he said back. "Anyway my scar hurt and then I had a
 378 vision of what was happening to Draco...Volfemort has him bondage!"

379 Vampire and I ran up the stairs looking for Dumbledore. We were so scared.
380 "Dumbledore Dumblydore!" we both yelled. Dumbledore came there.
381 "What is it that you want now you despicable snobs?" he asked angrily.
382 "Voldemort has Draco!" we shouted at the same time.
383 He laughed in an evil voice.
384 "No! Don't! We need to save Draco!" we begged.
385 "No." he said meanly. "I don't give a darn what Voldemort does to Draco.
386 Not after how much he misbehaved in school especially with YOU Ebony." he
387 said while he frowned looking at me. "Besides I never liked him that much any-
388 way." then he walked away. Vampire started crying. "My Draco!" he moaned.¹²
389 "Its okay!" I tried to tell him but that didn't stop him. He started to cry tears
390 of blood. Then he had a brainstorm. "I had an idea!" he exclaimed.
391 "What?" I asked him.
392 "You'll see." he said. He took out his wand and did a spell. Then...suddenly
393 we were in Voldemprt's lair!
394 We ran in with our wands out just as we heard a croon voice say. "Allah
395 Kedavra!" It was...Voldemort!

We ran to where Volcemort was. It turned out that Voldemort wasn't there. Instead the fat guy who killed Cedric was. Draco was there crying tears of blood. Snaketail was torturing him. Vampire and I ran in front of Snaketail. 397
398
399
400

"Rid my sight you despicable preps!" he shouted as we started shooting him with the gun he Then suddenly he looked at me and he fell down with a lovey-dovey look in his eyes. "EbonyIloveyouwiluhavesexwithme." he said.¹³ 401
402
403

"Huh?" I asked. "Enoby I love you will you have sex with me?" asked Snake-tail. I started laughing crudely. "What the fuck? You torture my bf and then you expect me to fuck you? God, you are so fucked up you fucking bastard." I said angrily. Then I stabbed him in the heart. Blood pored out of it like a fountain. 404
405
406
407

"Noooooooooooooooo!" he screamed. He started screaming and running around. Then he fell down and died. I brust into tears sadly. 408
409

"Snaketail what art thou doing?" called Voldemort. Then...he started coming! We could hear his high heels clacking to us. So we got on our broomsticks and we flew to Hogwarts. We went to my room. Vampire went away. There I started crying. 410

413

"What's wrong honey?" asked Draco taking off his clothes so we could screw. He had a sex-pack (geddit cuz hes so sexah) and a really huge you-know-what and everything. 414
415
416

"Its so unfair!" I yielded. "Why can't I just be ugly or plain like all da other girls and preps here except for B'loody Mary, because she's not ugly or anything." 417
418
419

"Why would you wanna be ugly? I don't like the preps anyway. They are such fucking sluts." answered Draco. 420
421

"Yeah but everyone is in love with me! Like Snape and Loopin took a video of me naked. Hagrid says he's in love with me. Vampire likes me and now even Snaketail is in love with me! I just wanna be with you ok Draco! Why couldn't Satan have made me less beautiful?" I shouted angrily.¹⁴ "Im good at too many things! WHY CAN'T I JUST BE NORMAL? IT'S A FUCKING CURSE!" 428 “Ebony Ebony!” shouted Draco sadly. “No, please, come back!”

429 But I was too mad.

430 “Whatever! Now u can go anh have sex with Vampire!” I shouted. I stormed
431 into my room and closed my black door with my blood-red key. It had a picture
432 of Marilyn Manson on it. He looked so sexy in a way that reminded me of Draco
433 and Vampire. I started to cry and weep. I took a razor and started to slit my
434 wrists. I drank the blood all depressed. Then I looked at my black GC watch
435 and noticed it was time to go to Biology class.

436 I put on a short ripped black gothic dress that said Anarchy on the front in
437 blood red letters and was all ripped and a spiky belt. Under that I put on ripped
438 black fishnets and boots that said Joel all over them with blood red letters. I
439 put my ebony black hair out. Anyway I went downstairs feeling all sad and
440 depressed as usual. I did sum advanced Biology work. I was turning a bloody
441 pentagram into a black guitar. Suddenly the guitar turned to Draco!

442 “Enoby I love you!” he shouted sadly. “I dnot care what those fucker preps
443 and posers fink. Ur da most beautiful girl in the world. Before I met you I used
444 to want to commit suicide all the time. Now I just wanna fucking be with you. I
445 fucking love you!” Then...he started to sing “Da Chronicles of Life and Death”
446 (we considered it our song now cuz we fell in love when Joel was singing it)
447 right in front of the entire class! His singing voice was so amazing and gothic
448 and sexxy like a cross between Gerard, Joel, Chester, Pierre and Marilyn Man-
449 son¹⁵.

450 “OMFG.” I said after he was finished. Some fucking preps stared at us but
451 I just stuck up my middle fingers (that were covered in black nail polish and
452 were entwined with Draco’s now) at them. “I love you!” I said and then we
453 started to kiss just like Hilary Duff (i fukin h8 dat bitch) and CMM in a Cin-
454 derella Story. Then we went away holding hands. Loopin shouted at us but
455 he stopped cuz everyone was clapping by how sexy we looked 2gether. Then I
456 saw a poster saying that MCR would have a concert in Hogsmede right then.
457 We looked at each other all shocked and then we went 2gether.

We ran happily to Hogsmode. There we saw the stage where GC had played. 458
We ran in happily. MCR were there playing 'Helena'. I was so fucking happy! 459
Gerard looked even sexier than he did in da pictures. Even Draco thought so, I 460
could totally see him getting an erection but it didn't matter cuz I knew know 461
that we were da only true ones for eachother. I was wearing a black leather 462
minidress and black leather platinum boots with red ripped fishnets. Draco 463
was wearing a black baggy MCR t-shirt and black baggy pants. Anyway, we 464
stated moshing to Helena. We frenched. We ran up 2 the front of the band to 465
stage-dive. Suddenly, Gerard pulled off his mask. So did the others. We gasped. 466
It wasn't them at all. It was,...Voldemort and da Death Dealers! 467

"Wtf Draco im not going to a concert wid u!" I shouted angrily. "Not after 468
what happened to me last time? Even if its MCR n u no how much I lik them" 469

"What cause we...you know..." he gadgetted uncomfortbli cause guys don't 470
like to talk a bout you-know-what. 471

"Yeah cause we you know!" I yielded in an angry voice. 472

"We won't do that again." Draco promised. "This time, we're going with an 473
ESCORT." 474

"OMFG wtf/ Are you giving into the mainstream?" I asked. "So I guess ur a 475
prep or a Christina or what now?" 476

"NO." he muttered loudly. 477

"R u becoming a prep or what?" I shootd angrily. 478

"Enoby! I'm not! Pls come with me!" He fell down to his knees and started 479
singing 'Da world is black' by GC to me. 480

I was flattened cause that's not even a single, he had memorized da lyrks 481
just 4 me! 482

"OK then I guess I will have to." I said and then we frenched 4 a while and I 483
went up 2 my room. 484

B'loody Mary was standing there. "Hajimemashite gurl." she said happily 485
(she spex Japanese so do i. dat menz 'how do u do' in japanese). "BTW Wil- 486
low that fucking poser got expuld. she failed al her classes and she skepped 487

"It serves that fuking bich right." I laughed angrily. 489

Well anyway we where felling all deprezzed. We wutsched some goffic movies 490
like Das niteMARE b4 xmas. "Maybe Willow will die too." I said. 491

"Kawai." B'loody Mair shook her head enrgtically lethrigcly. "Oh yeah o 492

500 "In Hot Topic, right?" I asked, already getting out my spshcial Hot Topic
501 Loiyalty carde.

502 "No." My head snaped up.

503 'WHAT?" my head spuin. I could not believe it. "B'Loody Mary are u a

505 "NOOOO!NOOOO!" She laughed. "I found some cool goffic stores near
506 Hogwarts that's all."

507 "Hu told u abut them" I askd sure it would be Drako or Diabolo or Vam-
508 pire(don't even SAY that nam to me!). Or me.

509 "Dumblydore." She sed. "Let me just call our broms."

510 "OMFFG DUMBLYDORE?" I asked quietly.

511 "Yah I saw the map for Hogsmeade on his desk." She told me. "Come on
512 let's go."

513 We were going in a few punkgoff stores SPECIALLY for the concerts in Hogsmeade.
514 The salesperson was OMG HOTTER THAN GERARD EXCEPT NOT CAUSE THAT'S
515 IMPOSSIBLE and he gave me a few dresses. "We only have these for da real
516 goffs."

517 "Da real goffs?" Me and B'Loody Mary asked.

518 "Yah u wouldn't believe how many posers ther are in this town man! Yester-

523 very low-cut with a huge slit.

524 "Oh my satan you have to buy that outfit" The salesperson said.

525 "Yeah it looks totlly hot." said B'Loody Mary.

526 "You know what I am gona give it to you free cause u look really hot in that

532 "Yeah I don't think so cause I am going there with my bf drako you sick

Tom Riddle gave us some clothes n stuff 4 free. He said he wud help us wif makeup if he wunted koz he was relly in2 fashin n stuff. (hes bisezual). Hargird kept shooting at us to cum back 2 Hogwarts. "WTF Hagrid?" I shouted angrily. "Fuck off you fjucking bastard." Well anyway Willow came. Hargird went away angrily.

"Hey bitch you look kawaii." she said.

"Yah but not as kawaii as you." I answered sadly cause Willow's really pretty and everything. She was wearing a short black corset-thingy with blood red lace on it and a blak blood-red miniskirt, leather fish-nets and black poiny boots that showed off how pale she wuz. She had a really nice body wif big bobs and everything. She was thin enouff 2 be anorexic.

"So r u going 2 da concert wif Draco?" she asked.

"Yah." I said happily.

"I'm gong with Diabolo." she anserred happily. Well anyway Draco and Diabolo came. They were both loking extremely hot and sexy and u could tell they thoutft we were ot 2. Diabolo was wearing a black t-shirt that said '666' on it. He was wearing tons off makeup jus like Marylin Manson. Draco was wearing black leather pants, a gothic black GC t-shirt and black Vans he got from da Warped tower. B'loody Mart was going 2 da concert wif Dracula. Dracula used to be called Navel but it tuned out dat he was kidnapped at birth and his real family were vampires. They dyed in a car crash. Navel converted to Satanism and he went goth. He was in Slitherin now. He was wearing a black Wurped t-shirt, black jeans and shoes and black hair wif red streekz in it. We kall him Dracula now. Well anyway we al went 2 Draco's black Mercy-Bens (geddit cuz wer gpffik) that his dad Lucian gave him. We did pot, coke and crak. Draco and I made out. We made fun of dose stupid fuking preps. We soon got there...I gapsed.

Gerard was da sexiest guy eva! He locked even sexier den he did in pix. He had long raven blak hair n piercing blue eyes. He wuz really skinny and he had n amazing ethnic voice. We moshed 2 Helena and sum odder songz. Suddenly Gerard polled of his mask. So did the other membez. I gasped. It wasn't Gerard at all! "U moronic idiots!" he shooted angstily. "Enoby, I told u to kill Vampire. Thou have failed. And now...I shall kill thou and Draco!"

"No no please!" We begged sadly but he took out his knife.

573 and a looong black bread. He wus werring a blak robe dat sed 'avril lavigne' on
574 da back. He shotted a spel and Vlodemort ran away. It was...DUMBLYDORE!

I woke up the next day in my coffin. I walked out of it and put on some black eyeliner, black eyeshadow, blood-red lipstick and a black really low-cut leather dress that was all ripped and in stripes so you could see my belly. I was wearing a skull belly ring with black and red diamonds inside it.

(Da night before Draco and I rent back to the skull (geddit skull koz im gofik n I like deth). Dumbeldore chased Voldemort away. We flew there on our brooms. Mine was black and the broom-stuff was blood-red. There was lace all over it. Draco had a black MCR boom. We went back to our rooms and we had you-know-what to a Linkin Park song.)

Well anyway I went down to the Grate Hall. There all da walls were painted black and da tables were black too. But you fould see that there was pink pant underneath the black pant. And there were pastors of poser bands everywhere, like Ashlee Simpson and the Backstreet Boys.

"WTF!" I shouted going to sit next to B'loody Mary and Willow. B'loody Mary was wearing a black leather mini with a Good Chrloote t-shirt, black fishnets and black pointy boots. Willow was wearing a long gothic black dress with blood red writing that was all lacy and came up to your thighs and black boots and fishnets. Vampire, Dracula and Draco came. We started to talk about who was sexier, Mikey or Gerard Way or Billie Joe Armstrong. The boys joined in cause they were bi.

"Those guys are so fucking hot." Navel was saying as suddenly a gothic old man with a black beard and everything came. He was the same one who had chased away Voldemort yesterday. He had normal tan skin but he was wearing white foundation and he had died his hair black.

"...DUMBLEDORE?!!" we all gasped.

"WTF?" I shouted angrily. "I thought he was just wearing that to scare Voldemort!"

"Hello everyone." he said happily. "As u can see I gave the room a makeover. Whjat do u fink about it?"

Everyone from the poser table in Gryffindoor started to cheer. Well we goths just looked at each other all disfusted and shook our heads. We couldn't believe what a poser he was!

"BTW you can call me Albert." HE CALLED AS WE LEFT to our classes.

"What a fucking poser!" Draco shouted angrily as we went to Transformation. We were holding hands. Vampire looked really jealous. I could see him crying blood in a gothic way (geddit, way lik Gerard) but I didn't say anything. "I bet he's havin a mid-life crisis!" Willow shouted.

I was so fucking angry.

613 All day we sat angerly finking about Dumbelldore. We were so fucking pissed
614 off. Well, I had one thing to look forward too- da MCR concert. It had been
615 postphoned, so we could all go.

616 Anyway, I went to the common room sadly to cut classes. Draco was being
617 all secretive.

618 I asked what it was and he got all mad me and started crying all hot and
619 angsty¹⁷.

620 "No one fucking understands me!" he shouted angrily as his black hare
621 went in his big blue eyes like Billie Joe in Boulevard of Borken Dreamz. He
622 was wearing black baggy paints, a black MCR t-shirt and a black die. (geddit
623 insted of tie koz im goffik) I was wearing a blak leather low cut top with chains
624 all over it all over it a blak leather mini, black high held boots and a cross belly
625 fng. My hair was al up in a messy relly high bun like Amy Lee in Gong Under.¹⁸

626 "Accuse me? What about me!" I growled.

627 "Buy-but-but-" he grunted.

628 "You fucking bastard!" I moaned.

629 "No! Wait! It's not what it fucking looks like!" he shouted.

630 But it was to late. I knew what I herd. I ran to the bathroom angrily, cring.
631 Draco banged on the door. I whipped and whepped as my bloody eyeliner streammed
632 down my cheeks and made cool tears down my feces like Benji in the video for
633 Girls and Bois¹⁹. I TOOOK OUT A CIGARETE END STARTED TO smoke pot.

634 Suddenly Hagrid came. He had appeared.

635 "You gave me a fucking shock!" I shouted angrily dropping my pot. "Wtf do
636 you fink you're doing in da gurl's room?"

637 Only it wasn't just Hagrid. Someone else was with him too! For a second I
638 wanted it 2 b Tom Rid or maybe Draco but it was Dumblydore.

639 "Hey I need to ask you a question." he said, pulling out his black wanabe-
640 goffik purse. "What are u wearing to the concert?"

641 "U no who MCR r!" I gasped.

642 "No I just saw there was a concert dat a lot of gothz and punx were going

All day I wondered what the surprise was. Meanwhile, I pot on a blak ledder mini, a blak corset with urple lace stuff all over it, an black gothic compact boots. MCR were gong 2 do the concert again, since Volxemort had taken over the last one. I slit my wrists while I moshed 2 MCR in my bedroom all night, feeling excited. Suddenly someone knocked on the door while I was trying on sum black clothes and moshing to Fang u 4 da Venom. I gut all mad and turned it of, but sacredly I hopped inside dat it was Draco so we could do it again.

"Wut de fucking hell r u doing!" I shouted angrily. It was Loopin! "R u gonna cum rape me or what." I yelled. I was allowed to say dat because Dumblydore had told us all 2 be careful around hem and Snap since he was a pedo.

"No, actshelly (geddit, hell) kan I plz burrow sum condemns." he growld angrily.

"Yah, so u can fuk ur six-yr-old gurlfriend, huh?" I shouted sarkastikally.

"Fuker." He said, gong away.

Well anyway, I put on some black eyesharow, black eyeliner, and some black lipstick and white foundation. Then I went. Den I gasped...Snake and Loopin were in da middle of da empty hall, doin it, and Dobby was watching!

"Oh my god you ludacris idiot!" they both shooted angrily when they saw me. Dobby ran away crying. Dey got up, though. Normally I wood have ben turned on (I luv cing guyz do it) but both of them were fuking preps. (btw snake is movd 2 griffindoor now)

"Oh he's bein a fucking bastard. He told me he wouldn't cum." Vampire said shaking his hed. "U wanna cum with me? 2 the concert?"

²⁰Author's Note: c I speld dat

680 Then...he showed me his flying car. I gasped. It was a black car. He said his
681 dogfather Serious Blak had given it 2 him. The license plate on the front sed
682 MCR666 on it. The one on da back said 'ENOBY' on it.
683 ...I gasped.
684 We flew to the concert hall. MCR were there, playing.
685 Vampire and I began 2 make out, moshing to the muzik. I gapsed, looking

"No I'm not u fuking bitch!" he shouted angrily. He stated to run out of the
place in a suicidal way. I stated to cry cuz I was afraid he would commit suicide. 691

"Its ok Enoby." said Vampire comfortably. "Ill make him feel better." 692

"U mean you'll go fuck him wont you!" I shouted angrily. Then I ran 2 get

And then...we herd sum footsteps! Vampire got out his blak invincibility

grily with a flashlight in his hand. 695

"WHOSE THERE!" he shouted angrily. We saw Filth come. He went unda

him. And den we saw Draco crying n bustin in2 tearz and slitting his rists out-
side of da school. 700

"Draco!" I cried. "R u okay?" 701

"I guess though." Draco weeped. We went back to our coffins frenching
each other. Draco and I decided to watch Lake Placid²² on the gothic red bed
together. As I wuz about 2 put in the video, my eyes rolled up and suddenly I
had a vision of something that was happening now. There was a knok on the
door and Fug and da Mystery of Magic walked into the school! 712

719 All day everyone talked about the Misery of Magic. Well anyway, I woke up
720 the next day. I was in my coffin so I opened the door. I was wearing blak lacey
721 leather pajamas. Then I gasped.

722 Standing in front of me where...B;loody Mary, Vampire, Diabolo, Draco,
723 Dracula and Willow!

724 I opened my crimson eyes. Willow was wearing a tight black leather top
725 with pictures of bloody roses all over it. Under that she wart a black poofy skirt
726 wit lace on it and black gothic boots that was attached to the top. Vampire was
727 wearing a baggy Simple Plan t-shirt and baggy black pants and Vans. Draco
728 was wearing a black MCR t-shirt and blak jeans and a leather jacket. He looked
729 just likee Gerard Way, and almost as fucking sexy. Vampire looked like Joel
730 Madden. B'loody Mary was wearing a tight black poofy gothic dress that she
731 had ripped so it showed of all her clearage with a white apron that said 'bich'
732 and other swear words and MCR lyrics on it kind of like one dress I had seen
733 Amy Lee wear once. Darkness (who is Jenny) was there too. She was weaving
734 a ripped gothic black dress with ripped stuff all over it and a lace-up top thing
735 and black pointy boots. So were Crab and Goyle. It turns out that Darkness,
736 Diabolo, Crab and Goyle's dad was a vampire. He committed suicide by slitting
737 his wrists with a razor. He had raped them and stuff before too. They all got so
738 depressed that they became goffik and converted to Stanism.

739 "OMFG" I yielded as I jumped up. "Why the fuck are u all here?"

740 "Enoby something is really fucked up." Draco said.

741 "OK but I need to put my fucking clothes on first." I shouted angrily.

742 "It's all right. We have to go now and you look kawaii anyway. Your so fuck-
743 ing beautiful." Draco said in a sexy voice.

744 "Oh all right." I said smiling. "But you have to tell me why your being all
745 erective."

746 "I will I will." he said.

747 So I just put on some black eyeliner, black lipstick and red eyeshadow and
748 white foundation. Then I came. We all went outside the Great Hal and looked
749 in from a widow. A fucking prep called Britney from Griffindoor was standing
750 next to us. She was wearing a pink mini and a Hilary Duff t-shirt so we put
751 up our middle fingers at her. Inside the Great Hall we could see Dumbledork.
752 Cornelia Fudged was there shouting at Dumbledore. Doris Rumbridge was
753 there too.

754 "THIS CANNOT BE!" she shouted angrily. "THE SCHOOL MUST BE CLOSED!"

755 "THE BARK LORD IS PLANNING TO KILL THE STUDENTS!" yelled Cor-
756 nelia Fudge.

“YOU ARE NOT FIT TO BE THE PRINCIPAL ANY LONGER!” yelled Rum- 757
 bridge. “YOU ARE TOO OLD AND YOUR ALZHEIMERS IS DANGEROUS! YOU 758
 MUST RETRY OR VOLDEMORT WILL KILL YOUR STUDENTS!” 759
 “Very well.” Dumbledore said angrily. “Butt we cannot do this. We can’t 760
 close the school. There is only one person who is capable of killing Voldemort 761
 and she is in the school. And her name is...Enony Dark’ness Dementia Raven 762
 Way.” 763
 Draco, Crab, Goyle, Darkness, Willow, Vampire and B’loody Mary looked at 764
 each other...I gasped. 765

766 The door opened and Proffesor Rumbridge and Cornelia Fudge stomped
767 out angrily. Then Dumbledum and Rumbridge sawed us.

768 "MR. WAY WHAT THE BEEP ARE YOU DOING!" Rumbridge shouted an-
769 grily. Dumbledore blared at her.

770 "Oops she made a mistake!" he corrupted her. "She means hi everybody
771 cum in!"

772 Well we all came in angrily. So did all the other students. I sat between
773 Darkness and Draco and opposite B'loody Mary. Crab and Goyle started 2
774 make some morbid jokes. They both looked exactly like Ville Vollo. I eight
775 some Count Chocula and drank som blood from a cup. Then I herd some-
776 one shooting angrily. I looked behind me it was...Vampire! He and Draco were
777 shooting at eachother.

778 "Vampire, Draco WTF?" I asked.

779 "You fucking bustard!" yelled Draco at Vampire. "I want to shit next to her!"

780 "No I do!" shouted.

781 "No she doesn't fucking like u, you son of a bitch!" yelled Draco.

782 "No fuck you motherfucker she laves me not you!" shouted Vampire. And
783 then...he jumped on Draco! (no not in dat way u perv) They started to fight
784 and beat up each other.

785 Dumbldore yelled at them but they didn't stop. All of a sudden...a terrible
786 man with red eyes and no nose flew in on his broomstick. He had no nose and
787 was wearing a gray robe. All the glass in the window he flew thru fell apart. Brit-
788 ney that fucking prep started to cry. Vampire and Draco stopped fighting...I
789 shopped eating...Everyone gasped. Da room fell silent...Volzemort!

790 "Eboby...Ebony..." DARTH Valer sed evilly in his raspy voice. "Thou havfe
791 failed ur mission. Now I shall kill thou and I shall kill Vampire as well. If thou
792 does not kill him before then I shall kill Draco too!"

793 "Plz don't make me kill him plz!" I begged.

794 "No!" he laughed crudely. "Kill him, or I shall kill him anyway!" Then he
795 flew away cackling.

796 I bust into tears. Draco and Vampire came to contort me. Suddenly my
797 eyes rolled up so they looked all cool and gothic. I had a vision were I saw
798 some lighting flash and then Voldremot coming to kill Draco while Draco slit
799 his wrists in a depressed way.

800 "No!" I screamed sexily. Suddenly I locked up and stopped having the vi-
801 sion.

802 "Ebony Ebony aure you alright?" asked Draco in a worried voice.

803 "Yeah yeah." I said sadly as I got up.

804 "Everyfing's all right Enoby." said Vampire all sensetive.

“No its not!” I shouted angrily. Tearz of blood went down my face. “OMFG 805
what if I’m getting possessed like in Da Ring 2!” 806
“Its ok gurl.” said B’loody Mary. “Maybe u should ask Proffesor Sinister 807
about what the visions mean though.” 808
“Ok bich.” I said sadly and den we went. 809

810 Well we had Deviation next so I got to ask Proffessor Trevolry about the
811 visions.

812 "Konnichiwa everybody come in." said Proffesor Sinister in Japanese. She
813 smelled at me with her gothic black lipstick. She's da coolest fucking teacher
814 ever. She had long dead black hair with blood red tips and red eyes. (hr mom
815 woz a vampire. She's also haf Japanese so she speaks it and everyfing. she

817 wearing a black leather top with red lace and a long goffik black ripped dress.
818 We went inside the black classroom with pastors of Emily the Strong. I raced
819 my hand. I was wearing some black naie Polish with red pentagrams on it.

820 "What is it Ebony?" she asked. "Hey I love ur nail polish where'd u get it,
821 Hot Topik?"

822 "Yeah." I answered. All the preps who didn't know what HT was gave me
823 weird looks. I gave them the middle finger. "Well I have to talk to you about
824 some fings. When do you want to due it?"

825 "Ho about now?" she asked.

831 Draco gong 2 die.

832 Well she gave me a black cryptal ball to lock in. I looked at it.

833 "What do you c?" she asked.

834 "I said I see a black gothic skull and a pentagram."

835 Suddenly there was a knock at the door. I looked at it. It was Draco. He was
836 looking really sexy wearing a black leather facet, a black gothic Linkin Park t-
837 shirt and blak Congress shoes.

838 "Okay you can go now, see ya cunt." said Proffesor Sinister.

839 "Bye bitch." I said waving.

840 I went to Draco and Vampire was sitting next to him. We both followed
841 Draco together and I was so exhibited.

his gothic whit hand with bvlak nail polish on mine. 845

"She said she would tell me what the visions meant torromow." I grumbled 846
in a sexy voice. He took out a heroin cabaret and spiked it, and gave it to me to 847
spork. He started to fly the car into a tree. We went to the top of it. Draco put 848
on some MCR. 849

"And all the things that you never ever told me And all the smiles that are 850
ever gonna haunt me." sang Gerard's sexy voice. We started tiling of each other's 851
cloves fevently. He took of my blak thong and my black leather bar. I took of 852
his black boxers. Then...he put his trobbing you-know-what in my tool sexily. 853

"OMFG Draco Draco!" I screamed having an orgism. We stated frenching 854
passively. Suddenly...I fell asleep. I started having a dream. In it a black guy 855
was shooting two goffik men with long black hair. 856

"No! Please don't fucking kill us!" they pleaded but he just kept shooting 857
them. He ran away in a red car. 858

"No! Oh my fucking god!" I shouted in a scared voice. 859

"Ebony what's wrong?" Draco asked me as I woke up opening my icy blue 860
eyes. 861

I started to cry and tears of blood went down my face. I told Draco to call 862
Vampire. He did it with his blak Likin Park mobile. Butt the worst thing was 863

884 street. He went and called some people and did some stuff. After a few mis-
885 tunes he came back and said people were going out looking for them. After
886 a while someone called him again. He said that they had been found. Draco,
887 Vampire and I all left to our rooms together. I went with Draco to wait in the
888 nurses office while Vampire went to slit his wrists in his room. We looked at
889 each other's gothic, derperessed eyes. Then, we kissed. Suddenly Serious and

She said badly. She peered into da balls. "You see, you must go back in time." She took out a Time-Toner like B'loody Mary had. "When Voldemint was in Hogwarts before he became powerful he gut his hearth borken. Now do you fink he would still become Volxemort if he was in love?" I shook my head. "U must go back in time and sedouce him. It is the only way. If he is still evil then you must kill him. You can come to my room tomorrow and you can do it." 894

"Okay." I said sadly. We did dethz tuch sin. I went outside again sadly. 895

920 We went in2 a blak room. The wallz were blak with portraits of gothic bands
921 lik MCR, GC and Marlin Mason all over them. A big black coffin was in the
922 middle. Red vevlet lined da blak box. There were three chairs made of bones
923 with real skullz in dem. I wuz wearing a blak corset bar wif purple stuff on it,
924 fishnet suckings and a blak leather thong underneath.

925 I sat down one of da chairs dispersedly. So did Drako and Vampire.

926 "Are you okay?" Vampir asked potting his albastard hand on mine. He was
927 wearing black nail polish. I was wearing blak nail polish with red crosses on it.

928 "Yah I guess." I said sadly. Drako also pot his hand on mine sexily. I smiled
929 sadly with my blak lipstick. "The problem is...I have to seduce Volxemort. Ill

931 Draco started to cry sadly. Vampire hugged him.

932 "Itz okay Eboby." he said finally. "But what about me? Ur not gonna brake
933 up or anyfing, are you?"

934 "Of coarse not!" I gasped.

935 "Really?" he asked.

936 "Sure." I said.

937 We frenched sexily. Vampire looked at us longingly.

938 Then...I took off Draco's MCR shrift and seductvely took of his pants. He
939 was hung lik a stallone. He had replaced the Vampire tattoo that said Enoby
940 on it. Black roses were around it. I gasped. He lookd exactly lik Gerard Way.
941 Vampire took a vido camera. (I had sed it wuz ok b4).

“Hey what the fuck!” Vampire shooted angrily. 953

“Yeah buster what the fuck are u going to do with the fucking camera?” Draco demonded all protective, looking at me Longley with his gothic red eyes. “Look, Dumblehor noes your little secret and if u do dis again, then u will go to St Mango’s. So give back da camera!” 954 955 956 957

Hahahaha the Mystery of Motic thinks he is crazy there is no way dey will believe him. Snoop laughed meanly. 958 959

1371 "We can go c Hose of Wax wif Draco!" giggled Vampire.
1372 "Letz go lizzen 2 GC and kut ourselvz 666!" said Hermoine. We opened da
1373 conmen room door sexily. And den...I gasped...Draco wuz there doing it wif
1374 Snap! He wuz wearing a blak tshirt wif 666 on da front and baggy jeanz.
1375 "U fucking prep!" we all yielded angrily.
1376 "Yah u betrayed us!" shooted Vampire angrily as he took out his blak gun.
1377 "No u don't understand!" screamed Draco sadly as he took his thingie out
1378 of Snake's.
1379 "No shit u fuking suk u preppy bastard!" said Willow trying 2 attak him.³¹.

When I wook up I wuz in a strange room. I loked around I wuz wearing 1386
da same outfit I had when is performed wif XBlakXTearX! I looked arund con- 1387
fusedly. It wuz da Norse's office but it looked difrent! On da wall wuz a pik of 1388
Marlyin Munzon!³² der wuz also a goffik blak Beatles calander with a picture 1389
of the beetlez werring iyeliner and blak cloves. On it said '1980.' 1390

"OMFG! Im back in Tim again!" I screamed loudly. Suddenly Satan(dis is 1391
actually voldimort 4 photo refrenss!). Voldimort wuz wearing a blak leather 1392
Jackson, blak tight jeans and fishnet pantz. He looked so sexah I almost had 1393

"OMFG Enoby r u ok." He asked gothikally. 1395

"Yah Im okay 4 ur in4mation." I snapped sexily. "OMG am I dedd?" koz I 1396
remembered I had jumped in front off da bullet from Jame's gun. I also re- 1397
memberd cing Drako doing it wif Snap! 1398

I guessed dat when I had slit mi wrists I had went bak in tim instead of 1399
dieing. I knoew I could go forward in time if I found a time-toner or da tim 1400
machine. 1401

"No ur not dead." Satan reassured suicidally as he smokd a cigarette sexily 1402
and smoke came all over his face. "Ur a vampire so u kant die frum a bullet. 1403
Cum on now lets go c how Hairy's dad is doing." 1404

I noo dat da real reason I didn't die from da ballet was koz I was from da 1405
future. "WTF! James almust shot Lucious!" I said indigoally. I knew that James 1406
had really ben possezzed, but I didn't want him2 know I knew. 1407

"Yah I know but he had a headache he wz under a lot of stress." Satan rea- 1408
soned evilly. 1409

"I guess that's ok." I said because James hadn't really shot Lucian. Also I noo 1410
that Lucian wood now have 2 arms instead of 1. I walked seduktivly outside 1411
with Satan. Suddeni I saw a totally sexi goffik bi guy! He had bleched blond 1412
hair wiv blak streaks up 2 his ears and he wuz wearing goffik blak iliner, a blak 1413
Green Day shirt (it showed billy joel wiv bolnd hair since it was da eighties), 1414

 1421 "Hey Hedwig." I said seductively evn tho I wuz nut tring to b.
 1422 "Lol hi Enoby." He answered but then he ran away bcos he had hair of mag-
 1423 ical creature. He was humming Welcum 2 da Blak Prade under his breth³³
 1424 "Bye." I sed all sexily.
 1425 "Dat was Hedwig. He used 2 b my boifreind but we broke up." Satan said
 1426 sadly, lukiing at his blak nails.
 1427 "OMFG I can get u bak 2gether!" I said fingering something I didn't know
 1428 wuz in my pocket- a blak Kute is What we Aim 4 cideo ipod that I could take
 1429 videos wif.³⁴
 1430 "Ok u can 4get about ur class for now, Hedwig. Im going 2 show u some-
 1431 thing grate!" I led them to da Great Hall. "Cum on u guys."
 1432 Lucian, James, Serious and Snake were all in da Grate Hall. Lucian woudnt
 1433 talk wiv James because he had tried 2 shoot him.
 1434 "Go fuk urself you fukking douche!" he shouted at him. "Drako is never
 1435 gong 2 b frends with vampire now!"
 1436 "Yah go fuck urself Samaro!" Snape agreed but I noo he wuz lying koz it had
 1437 been his folt James had almost shot Lucian.
 1438 "B quiet u guys." I said sexily. Mi plan waz working oot great. Now I kood
 1439 make Voldement good wivout doing it with him! Now Vampire's dad wood
 1440 never die and "OK Satan and Hedwig, u guys can start making out." I said and
 1441 I started 2 film dem wiv da ipod.
 1442 "Kool." said Serious as Voldemort and Hedwig started 2 make out sexily. We
 1443 watched as tdey started 2 take each odderz cloves off sexily. Samaro, Serious,
 1444 Snake and Lucian all watched koz dey wer proolly bi. I noo Snape was bi.
 1445 "Oh my fukking god! Voldimort! Voldimort!" screamed Hedwig as his glock
 1446 touched Voldemort's.
 1447 But suddenly everything stopped as da door opend and in kame...Dumblydore

I sat depressedly in Dumbledork's office wiv Hedwig, Satan, James, Serious, Snap and Lucian. Dumbledore was sitting in front of us cruelly. He looked more young den he did in da future. He had taken da ipod away and wuz now lizzening 2 a shitty Avril Levine song. 1449 1450 1451 1452

"What da hell is this anyway?" he cackled meanly. I hoped he didn't find out dat I was frum another time. 1453 1454

"Whatever u do don't blame Ibony, u jerk." Satan said. 1455

"Yah, siriusly she was trying to get Satan and Hedwig back together." Serious said deviantly. 1456 1457

"Be quiet you Satanists." Dumbledore cockled. "If ur lucky I'll probably send u all to Akazaban! That will teach u to copolate in da Great Hall." He changed the song on da ipod 2 a n'Sync song. Suddenly I noticed sumfing strong about da Ipod. It was slowly chonging! Dumblydore didn't notece. 1458 1459 1460 1461

"You fucking poser." I muttoned. 1462

"I bet you've never herd of GC." James said. Know I knew waht da iPod was chonging in2- Morti McFly's tim machine! 1463 1464

"Shut up Jomes!" Drako's dad shouted. 1465

"Yeah shut up!" Snake said preppily. 1466

"No u shut up Dumblydore!" said Tom. 1467

"I've had enough of u Satanists in my school!" shouted Dumbledore spuri- ously. 1468 1469

Suddenly I grabed da iPod from him. "Evry1! Jump in b4 itz 2 l8! I jumped in2 it. But only 1 odder person jumpd in. It was...Satan. 1470 1471

"You dunderheads!" screamed Dumbledore wisely as we went. 1472

I looked around. I wuz in da Slitherin comen room wiv Satan. I was wearing a blak plaid miniskirt with hot pink fishnetz, a sexy blak MCR corset and blak stiletto boots with pink pentagroms on dem. My earrings were blake Satanist sins and my raven hair was all around me to my mid-black. 1473 1474 1475 1476

"Hey kool where iz dis?" he asked in an emo voice. 1477

"Dis is da future. Dumbeldore's iPod dat he tried to take away from me wuz really also a tim machine." I told him. 1478 1479

"Kool what's an ipatch?" he whimpered. 1480

"It's somefing u use 2 lizzen 2 music." I yakked. 1481

"OMFG kool wait whatz a 4-letter-wurd 4 dirt?" he esked in his sexah voice. 1482

"Um I guezz sand?" I laid confuesdly. 1483

1484 “Yah I wuz just triinyg to make sure u were stil da same perzon.” He tri-
1485 umphently giggled.
1486 Suddenly some of my friends walked in.
1487 “OMG you’re fucking alive!” said Ginny wearing a blak leather jocket, blak
1488 baggy pants and a goffik black Frum First to Last shirt. I explained 2 her why I
1489 was alive.
1490 “Konichiwa, bitch.” said Willow. She was wearing a blak corset showing off
1491 her boobs with lace all around it and red stipes on it. With it she waz wearing
1492 a blak leather miniskirt, big blak boots, white foundation, blak eyeliner, red
1493 eyeshadow, and blak lipstick.
1494 “Hey, motherfucker.” Said Diabolo with his red hair. He waz wearing a black
1495 P?ATD t-shirt and blak baggy pants.
1496 “Hey whose that, Ibony?” B’loody Mary questioned as she walked in wear-
1497 ing a black t-shirt with a red pentarom on it with lace at the bottom, red letther
1498 pants with blak lace, and black stolettoes.
1499 “Oh its Satan.” I told her and she nodded knowing da truth.
1500 Suddenly Satan started to cry.
1501 “Are you okay Satan?” we asked concernedly.
1502 “OMFG ur from da future!! What if u don’t like m anymore koz were from
1503 difrent times?” he asked.
1504 “No I still like you.” I said sexily to him.
1505 “Ok.” He said ressuredly. I let him lizzen 2 Teenagers by MCR on my ipod
1506 while I was about to go outside to find out some fingz. I gave Diabolo a sig-
1507 nal to keep Satan occupied. Satan fell asleep. I took the iPod. I was about to
1508 walk outside. Profesor Sinister ran in! She was wearing a gothic blak minidress
1509 with depressing blak stripes, white and blak stripped tights, and red converse
1510 shoes. She was wearing LOTS of blak iliner.
1511 “Oh my fucking god, where’s Draco! How did Snap get back here! I tohot he
1512 wuz in Azerbaijan.” I asked sadly.
1513 “Ebony I was so worried abott u but I know you can’t fucking die because
1514 you’re a vrompire. Snape came back because that girl Britney freed him. I
1515 never liked her she was a bad student.” Trevolry said reassuredly.
1516 “That bitch! Did she also free Hagrid and Loopin?” I shouted angrily. I
1517 hated Britney because she was a fucking prep.
1518 “Yes they are on the loose at this school. Dumblydore is back Cornelia is
1519 on his way to help evry1. Tell evry1 u see to lock themselves in their conman
1520 room!” Trevolry said worriedly.
1521 “OK. But where’s Dracko? How cum he was doing it with Snap?”
1522 “I dunno why but I know he almost tried 2 commit suicide after he saw u
1523 almost kill urself.” she said.
1524 “OMG dat’s terrible!” I gasped. Satan was still asleep, so he couldn’t tell
1525 what was going on. Then I said “Lizzen evry1, I have sumthing imptent to do.
1526 in hr evry1 stay!” wiv dat I ran out.
1527 “Good luck Tara!” everyone cried.
1528 I ran sexily down the staris in2 da Grate Hall while da portraits around looked
1529 at me scaredly. There was hardly ne1 else in the stairs nd tere was an atmo-

sphere of horror. On da way I saw Britney laughing on da stairs. She was wear- 1530
ing a a slutty pink shirt wiv flowers on it, a blu jean skirt Abercromie and pink 1531
stiletoos. She looked jest like a pentagram of those fucking preps Hilery Duff 1532
and Lindsey Lohan. 1533

"You fucking bitch!" I shouted angrily. 1534

"No, your totally a bitch. Now Voldemort will like totally kill u!" she laughed. 1535

"Crucious!" I shouted selectively pontificating my blak wand and she started 1536
screaming koz she was being tortured and I laughed sodistically. 1537

"No! Help me! Please!" Britney screamed terrifiedly. 1538

I put up my middle finger at her. In her hand I saw da video camera Snape 1539
and Lumpin had used to take da video of me. I put the tape of Voldimort do- 1540
ing it with Hedwigg onto it. Then I continued to rown down the stairs with 1541
the camera. When I had reached da Grate Hall I saw Vampire Potter. "OMG 1542
Vampira!" I yielded. 1543

We hugged each udder happily. He locked at me wif his gothic red eyes 1544
and spiky blak hair. Around them were blak eyeliner and iShadow. His He wus 1545
wearing a blak leather Jackson, ledder pants, a Panik at da Disko concert shirt 1546
and his blak congress shoes. He looked mor like Joel from Good Charlote than 1547
ever.³⁵"I wus so worried you died!" moaned Vampire. 1548

"I know but Im a vampire lol. When I woke up I wuz back in 1980, so neway 1549
I bought Voldimort from when he was yung with me." 1550

"Where's Draco?" I asked spuriously. 1551

"Draco? You mean that fukking poser who betroyed you?" Vampir snarkled 1552
with anger in his sexy voice. 1553

"I NO BUT WE HAV 2 FIND HIM." I SED SMARTY. 1554

"I'll do it den." Harry said angstily. 1555

"OK." I argreed. Suddenly...all da lights in da room went out. And den...da 1556
Dork Mark appeared. 1557

"Oh my fucking satan!" Harry shouted. 1558

"I fink Voldimort has arrivd." I sed anxiously. "Fuck, I have to find Draco! I 1559
guess we shoood separate." 1560

"Ok." Vampire sed diapperating. Sadly I ran into the Great Hall. 1561

1562 I walked sexily into the Great Hall. It was empty except for one person.
1563 Draco was there! He sat der in deddly bloom in his blak 666 t-shirt and his
1564 baggy blak pants. He had slit his wrists! I felt mad at him for having sexwith
1565 Snape but I felt sorry for him. He looked just like Gerard Way with his red eyes
1566 and his pale white face.

1567 "Draco are you okay?" I asked.

1568 "I'm not okay," he screamed depressedly. I thought of the MCR song nd I
1569 got even more depressed koz that song always makes me cry. I gave him a pot
1570 cigarette and he started to smoke it.

1571 "Oh Draco why did you do it with that fucking bastard Snape?" I asked tear-
1572 dully.

1573 "I-" Draco began to say but suddenly Lupin and Mr. Norris appeared in2
1574 da room! They didn't see us.

1575 "Im so glad we me and Snape were freed." said Loopin.

1576 "Dam, this job would be great if it wasn't 4 da fukking students!" Mr. Norris
1577 argreed.

1578 "Pop addelum!" I yielded angrily pointing my wand at them.

1579 "Noooooooooo!" Lupin shouted as chains came on him. Mr. Norris ran away.

1580 "You fukking perv." I said laughing wiv depths of evil and depressedness in
1581 my voice. "Now u have 2 tell us where Voldimort is or I'm gong 2 torture u!"

1582 "I don't now where he is!" said Loopin. Suddenly Satan and Vampire ran
1583 in2 da room. Vampir didn't know who Satan was really.

1584 "Oh my satan, we were so worried about u guys!" Vampire said. I looked
1585 sexily at Draco with his goffik red eyes with contacts, blak t-shirt that said 666
1586 on it and pale skin like Gerord Way, Vampir with his sexy blak hair and red eyes
1587 just like Frank Iero and Satan who looked jist like Brandan Urie then.

1588 I selectively took the caramel from my pocket. And then...I began frenching
1589 Draco sexily. Loopin gasped. Draco began to take all of his cloves off and I
1590 could see his white sex-pack. Then Vampire took his own clotes off too. We
1591 all began making out 2gther sexily. I took off my blak leather bra, my blak lace
1592 thong and the rest of my clothes. Every1 took their glocks out except 4 me im a
1593 girl lol. "Oh mi satan! Draco!" I screamed as he put his hardness in my thingy
1594 Den he did da same fing to Harry. I began making out wiv Satan and he joined
1595 in. "OMS!" cried Vampire. "Oh Vampire! Vampire!" I screamed screamed. "Oh
1596 Satan!" yelled Harry in pleasore. Loopin watched in shock. Wee took turns
1597 doing torture curses on him koz we were all sadists. Suddenly...

1598 ...a big blak car that said 666 on the license plate flew strait through da win-
1599 dows. And Snap wuz in it!

"Dat's mi car!" shouted Draco angrily. But suddenly it was revealed who was in da car. It wuz...Snape! 1600 1601

"I shall free you Loopin but first you must help me kill these idiotic donder-heads." he said cruelly from the car as it flew circumamcizing above us. "Ebony Dark'ness Dementia Raven Way must be killed. Den the Dork Lord shall never die!" 1602 1603 1604 1605

"You fucking prep!" yelled Draco. Then he loked at me sadly. "I forgot to tell u, Ebony. Snape made me do it with him. I didn't really have sexx him but he's a ropeist!" 1606 1607 1608

We all put our clothes on quickly except Satan. We were so scarred! But Satan didn't change. Instead he changed into a man with gren eyes, no nose, a gray robe and white skin. He had changed into...Voldemort! 1609 1610 1611

"I knew who thou were all along." he cackled evilly and sarcastically at me. "Now I shall kill thee all!" Thunder came in da room. 1612 1613

"No plz don't kill us!" pleaded Vampire. Suddenly Willow, B'loody Mary, Diabolo, Ginny, Drocula, Fred and Gorge, Hagrid, McGonagall, Dumblydore, Serious and Lucian all ran in. 1614 1615 1616

"What is da meaning of dis?" Dumblydore asked all angrily and Voldimort lookd away (bcos dumblydore is da only whizard he is scared of.) He did a spell and suddenly his broomstick came to him sexily. Volxemort flew above the roof evilly on his broomstik. 1617 1618 1619 1620

"Oh my goth!" Slugborn goped. (geddit kos im gofik) 1621

"The Dark Lord shall kill all of you. Then you must submit to him!" Snape ejaculated menacingly. 1622 1623

"You fucking preppy fags!" Serious shouted angrily. 1624

"I know a four-letter word 4 dirt, CRUCIATUS!" screamed Harry but da sparks from his wand only hit Draco's car. It fell down Snap quickly crowled out of it and picked up the cideo camera. 1625 1626 1627

"Oh my fucking god!" I cried becoze the video of me in da bathrum, the video of me dong it wif Drako and the video of Satan doing it with 1628 1629

"If you kill me then deze cideos will be shown to everyone in the skull. Then u can be just like that gofik girl Paris Hillton." He laughed meanly. 1630 1631

"No!" I scremed. "FYI I hav da picter of u doing it with Loopin!" 1632

"Whats she talking abott?" Lupin slurped as he sat in chains. 1633

"I saw 2 she's gunna show evry1 da picter!" Harry shouted angrily. 1634

"Shut up!" Lumpkin roared. 1635

1636 “Foolish ignoramuses!” yielded Voldemort from his broomstick. “Thou shall
1637 all dye soon.”
1638 “Think again you fucking muggle poser!” Harry yelled and then he and Di-
1639 ablo and Navel both took out blak guns! But Voldimort took out his own one.
1640 “U guyz are in a Latin stand-of!” I shouted despariedrly.
1641 “Acco Nevel’s wand!” cried Voldrimort nd suddenly Nevil’s wind was in his
1642 hands. “Now I shall kill thee all and Evony u will die!”
1643 He maid lighting come all over da place.
1644 “Save us Ebony!” Dumbledark cried.
1645 I cried sexily I just wanted 2 go 2 the commen room and slit my wrists with
1646 mi friends while we watched Shark Attak 3 and Saw 2 and do it with Draco but
1647 I knew I had 2 do somefing more impotent.
1648 “ABRA KEDABRA!” I shooted.
